Aklys Defense Office of Strategic Services Integrally Suppressed Ruger .22 pistol conversion service

Product Code: Aklys Defense OSS suppressor conversion package
Availability: In Stock

Price: $825.00

Description

Building on the lineage of our successful Kopis rimfire suppressors, we are proud to now offer the new Aklys Defense Office of Strategic Services Integrally Suppressed Ruger Mk3 pistols.

Send us your bull barreled Ruger Mk 2, Mk 3, or Tactical Solutions bull barreled upper and we can perform the integral suppressed conversion on your pistol.

Barrel length is 4 inches. Barrel length with suppressor is 8 inches. The suppressor utilizes a 7075 T6 Type III Hard Anodized aluminum user serviceable Kopis monocore. Suppressor tubes are super light, durable titanium. Stainless pistols will come with a bead blasted matte finish or your choice of Cerakote. Blued versions will come with your choice of Cerakote. All pistols come optics ready with Ruger scope mount installed.

All NFA items require a $200 tax. Must ship to an FFL/SOT in your state. All federal, state, and local laws apply.

Please specify Black, OD Green, FDE Cerakote or blasted matte finish in the notes when ordering.
