Aklys Defense Sabre .223 User Servicable Suppressor

Product Code: Aklys Defense Sabre 223 user Servicable Suppressor
Availability: In Stock

Price: $799.00

Description

The Aklys Defense **Sabre** is our .223 user serviceable suppressor. This can is a **heavy duty, Lifetime warranted and full auto rated** suppressor that uses a Triple threaded interface and modular blast chamber for a lighter weight (under 11oz) and less back pressure as other cans while allowing for upgradability to keep you Future Proof! Its built to withstand use on magazine fed machine guns down to 11.5" and rated up to 22-250 and .224 Valkyrie

The triple threaded 17-4 stainless construction with blast baffle)give this suppressor a lifetime of use and its user serviceable design allows use of extensive subsonic and un-jacketed lead projectiles without fear of clogging up the baffles. Symmetric core for minimal and consistent point of impact shift compared to unsuppressed host or other suppressors.

Come Standard with the Aklys Defense QD muzzle brake system for compatibility with 14mm LH, 1/2x28, 9/16X24, and 5/8X24. Additional brakes available at request.

Optional Keymo ratcheting QD adaptability!
