Description

The Aklys Defense **Sabre** 360 is our Newest Suppressor rounding out a Full line up Future Proof silencers. It fills a broad array of tasks as a true multi-role Sportsmans 36 caliber user serviceable suppressor. This can is a **heavy duty, Lifetime warranted and full auto rated** suppressor that uses a Triple threaded interface and modular blast chamber for light weight (10oz) and less back pressure compared to other cans while allowing for upgradability to keep you Future Proof!

The triple threaded 17-4 and Titanium construction gives this suppressor a lifetime of use and its user serviceable design allows use of extensive subsonic and un-jacketed lead projectiles without fear of clogging up the baffles. Symmetric core for minimal and consistent point of impact shift compared to unsuppressed host or other suppressors.

Come Standard with the Aklys Defense QD muzzle brake system for compatibility with 14mm LH, 1/2x28, 9/16X24, and 5/8X24. Additional brakes available at request.

Add the modular LID piston assembly for browning style pistol actions available in 1.2"X28 and 13.5X1LH !

X375/HUB/OMEGA/KEYMO compatible mounting system adaptability!
