Barrel Threading

Product Code: Barrel threading
Availability: In Stock

Price: $0.00

Description

The incredible surge in the popularity of suppressors makes a threaded muzzle virtually standard equipment on today's precision rifle. Our skilled craftsmen have decades of barrel threading experience, and we ensure that your barrel is threaded properly and gauged concentric to avoid damage to silencers or muzzle brakes.

Threads cut on a blued barrel will be reblued.

Have a factory Ruger 10/22 barrel you want threaded? Send us your stock barrel and we will exchange for one of our threaded factory barrels for $75!

Contact us with your exact make and model of your firearm and what thread pattern you want.
