Description

Have you ever seen the really silly grin that develops on someones face after they shoot a machine gun? We've seen it a million times and can tell you its a joy to see... and to experience! We call it... The Machine Gun Smile! We still can't shoot one of our machine guns and not smile like an idiot!

The Aklys Defense #machinegunsmile Glock/Pilum die cut decal shows the world your part of the brotherhood of the #machinegunsmile. Featuring Johnny Aklys and one of our Pilum 9mm suppressors and a Glock machine guns, these decals are printed on quality 3M vinyl ,the "best stuff" for a long lasting installation.
